Dear The Lounge,

Like a lot of people who have been in long term relationships, my wife and my sex life has been pretty dull for as long as I can remember – I'm lucky to get it more than twice a month and one of those times always feels like I'm getting it because my old lady feels duty bound.

Then one day, at the end of last year, my wife Jean and I took a two week break in the Philippines.

Throughout the weeks before, Jean never mentioned that things were going to be decidedly different while we were away, in fact all I was really hoping for was that she might blow me and let me come in or around her mouth – something she never did at home, but something I constantly hoped for. A little booze, some sunshine and a romantic vibe, so my mind dreamed, and maybe she'd actually let it happen. But on that first night of our holiday I got a hell of a lot more than I bargained for.

"David," she said as we sat in the hotel bar,

looking out across the beach and listening to the waves idly lapping at the shore. "How would you feel about spicing up our sex life?" She might as well have asked me how I felt about playing up front for Spurs, it was that much of a no-brainer, but I wasn't going to blow this one. I made the right kind of noises, nothing too much to give away the fact that I'd been wishing she's been more adventurous in the bedroom for the past ten years.

"I've been thinking," she went on, "that we're not exactly having the wildest sex in the world and perhaps we could do something about that."

I told her to go on. "Well, while we're on holiday, perhaps we could use the time to spice things up, maybe live out some fantasies..."

I had no idea what her fantasies were but at that point the only thing I was interested in was the chance to shoot my load onto her face. All I had to do, I thought, as agree to whatever it was she was thinking about in return for a long held dream, but I had no idea what was coming next.

She started by asking me if I had any fantasies I'd like to try out but I said I'd rather hear hers first. However, she wasn't going to let me off so lightly and refused to tell her what she was thinking of until I'd come clean. So I came right out with it. I'd told her that for years I'd wanted to cum on her face, wanted her to go down on me until I had come. "Is that all?" she said. Bloody hell, I thought, should I have asked for more? Anyway, without talking about her desires, she grabbed me by the hand, led me down onto the beach, found a nice quiet spot and proceeded to suck me off until I exploded into her mouth. Incredibly, she held my gaze for the entire blow-job, and even managed to take some of it into her mouth and the rest onto her face and chin. It might be something that happens to most guys all the time, but for me it was like all my birthdays rolled into one.

Sitting side by side on the beach afterwards, Jean told me about her fantasy.

"I want to fuck two men..." she said, her hand

down my shorts, fondling my dick and balls. Now, I'm pretty sure that most men really don't want to share their wives and girlfriends with other

men, especially at the same time, but after years of dull, lights-off sex, I had fantasised about almost everything, including sharing Jean with another man, and the idea of her being screwed senseless, and loving every minute of it, was a damned horny one in my book. The idea of watching her wank me and some random guy off at the same time was enough to reawaken my spent length.

I didn't muck her around, I just said that if that was what she had always wanted to do then I was game. After all, once this had happened the gates were open for a mass of my own randy fantasies.

So, the hunt was on. We spent the next few days enjoying our holiday, our evenings were spent checking out the bars, Jean looking around for any likely guys.

They had to be single, handsome, clean and, most importantly of all, not afraid to get naked and horny with me standing right next to them.

On the third night, Jean found the perfect match. His name was Devon. He was taller than me, and slimmer, and he was definitely younger, but I felt no threat from this New Zealander – I was actually looking forward to watching him fuck my Jean.

Incredibly, Jean was completely honest with him. After five minutes of meeting him she'd told him that she'd love to have sex with him and she would only do it if she could have sex with me at the same time.

He was a bit wary, but once I'd assured him that I wasn't going to touch him and I didn't want him touching me he chilled out and said yeah, he'd be up for it.

Once again, there was no messing around, Jean stood up, took us both by the hand and led us back to our hotel room. It was a bit awkward at first since no one knew exactly what to do, but Jean took the lead, kneeling in front of Devon and pulling his shorts down. She took his member into her mouth and sucked him until he was hard as a rock. Just watching her behave so slutishly turned me on incredibly, and I soon joined them both, my clothes discarded, my cock rock hard.

The sight of Jean wanking me off and pulling on Devon's balls as she took as much of his rod into her mouth will stay with me for a very long time, as will the sight of her kneeling on the bed as Devon rammed his seven inches into her wet pussy from behind.

Right then I didn't know what the hell to do. Was I supposed to go and get involved or did she want to fuck us one after the other? It was decided for me when Devon said, "Come on mate, can't you see this woman's in need of more than just the one cock?" I climbed onto the bed and Devon pulled out. Jean pushed me onto my back and straddled me, facing away. I marvelled at the sight of her arse as it rose and sank around my cock, then watched, rapt, as Devon stood beside her and offered her his cock to suck on. I could see it shining in the light, coated as it was in Jean's juices, and I absolutely loved the way she moaned and groaned on it as she tasted another man's cock and her own wetness. Since this had long been a fantasy of hers, it didn't take long for Jean to reach the point of no return, and I reasoned that she'd get off on it a lot more if it was another man's cock she was riding when she came, so I pushed her off me and lay her on her back. "Come on, mate, she's been dreaming of this for years, you better make her come before I do," I said, and the lad dived in with relish, fucking her hard and fast as Jean had the loudest orgasm I'd ever heard. To my delight, we finished off with Jean kneeling in front of us both, sucking on each of our dicks until we showered her face, tits and neck in spunk. I have not come that much since I was a young man. I put it down in part to Jean begging us both to cover her in jizz, talking just like a girl in a porno.

Dear The Lounge,

I had taken a day off in the summer on what turned out to be one of the hottest days of the year so far and I decided to do some work in the garden. It did get very warm, and by mid afternoon I thought I would stop, grab a beer and enjoy the sunshine. I was a bit grubby so after clearing up I went in for a quick shower. I was just about to go upstairs when the doorbell rang. I thought about ignoring it but was glad I didn't as standing on the step was a very pretty young girl. There was an awkward pause before she spoke. "Sorry," she stammered at last, "you're the

Since then, now that we're back home, our sex life is very different. A month doesn't go by in which we're not indulging in one of our fantasies, and I have to say that if it wasn't for Jean suggesting it, we'd still be having the same boring sex most of the world has today. So, gentlemen, if you're bored of your sex life, might I suggest you let another guy fuck your wife's brains out? It's done wonders for me!

first person to answer the door today and not shut it again. I am campaigning on behalf of the..."

I interrupted and named her party. "Yes that's right," she said before realising I was nodding at her T-shirt which had the party name emblazoned right across her tits. It was, in fact, her tits that had first caught my eye.

She was a busty girl and the T-shirt was tight fitting and it was very obvious she was not wearing a bra.

She giggled, then said, "Sorry, I'm a bit nervous, it's my first time campaigning. I'm making a bit of a mess of this, aren't I?"

I told her not to worry and that I suspected it hadn't helped that I was just in a pair of shorts.

"Well, it did throw me, but I guess I'm not really dressed very professionally am I?" she said. I don't normally have much time for doorstep campaigners, mainly as I have been a life long supporter of the same party, but I was keen for her to hang around. She was very cute, long dark hair with a slight curl, very pretty with very natural looks and little sign of make up. As I said, I'd already had a good look at her sizable tits and she was wearing denim shorts and had shapely legs. "You can practise on me if you want, but you will have to give me five minutes to have a shower first."

Her face lit up.

"Shall I come back?" she asked.

"No, why don't you make the most of the garden and you can then convince me over a beer?"

She didn't answer but instead took me by surprise and took a step in, bumping into me as I held the door.

I moved out of the way and showed her in, noticing a very nice rounded arse as she walked ahead of me.

By the time we reached the garden, via the kitchen, where I got her a beer, I had learnt her name was Chloe, she was 19 and a student.

"You have a lovely garden," she commented.

"Yes I spend lots of time out here and its completely secluded, so make yourself at home. Right quick shower, then I am all yours!" I said, probably a bit too hopefully as my eyes wandered over her body again.

I did have a very quick shower and wrapped a towel round me before going to one of the back bedrooms that overlooked the garden. I was shocked by what I saw but very happy as Chloe had obviously accepted the invite to make herself at home. She had pulled another chair round and was stretched out with her feet up and she was now topless, her T-shirt hanging off the back of the chair. It was difficult to see her tits clearly from up there, though, so I quickly headed downstairs.

I decided to go down as I was. I stopped

Talkin' Blue

From experience to shared, then send it to Talkin' Blue at the usual address and it's all over except you'll beg yourself \$60!

When I'm in the mood for something different, I always meet up with my friend Kitty. Kitty is a nurse and often works the night shift.

If you've ever met anyone who works in the medical sector, you'll know that nurses are often the naughtiest ladies you will ever meet. Perhaps they need to let off steam after a heavy day dealing with life and death, or maybe they're just more open-minded people. Whatever the reason, it's always strange how hard health professionals party considering what they deal with at work every day. Kitty is once such girl, and likes to live on the edge. She gets her kicks from latent exhibitionism and loves nothing more than stripping off her clothes and showing off her curvy little body. She does it so well; I suspect she may have even been a stripper to supplement medical school.

Kitty often calls at strange times of the day or night when she's just finished a shift. I'll drive over to the hospital to pick her up, and I'll tell Kitty what games we're going to play while she changes in the back seat of my car. She always changes after she's met me, because she knows I like to see her in uniform before we go out. Usually we just go for cocktails, or hit the clubs to let off some steam, but sometimes I like to push Kitty a little further. The most memorable experience so far was definitely the day I made Kitty keep her sexy little nurses outfit on all day long as we took a little trip to a quiet spot. I just love seeing that saucy mousey-brown minx sauntering over to my car clad in the most unsuspecting kinky uniform ever. I know that nurse

uniforms are a staple in fetish costume fantasies, but actually seeing a real uniform stretched tightly across the sexy little body of a genuine nurse, and one who's clearly hungry for some naughty fun, is a sight to behold. Even after Kitty has had a long night and she's dishevelled and exhausted, she still looks sexy as hell in her uniform, and just the sight of her makes my panties soak through in anticipation. That night Kitty had worked a long, hard shift and she was sweaty and

tired. When she approached the car, she kissed my cheek gently through the open window, and awaited my orders. I told her firmly to get into the car and to keep her uniform on, as I had a little surprise waiting for her. As Kitty walked round to the side door, despite looking tired from work, I could

see a little glint forming in her sparkly brown eyes.

As Kitty stepped inside the car, I could instantly feel the energy emanating from her sexy little body. In her shy, sweet voice she asked, "So what have you got planned for me today Miss Bootz?" but I didn't reply. I simply started the car and, smirking at her, drove off in the direction of the park.

The streets were fairly empty apart from a milk float and the odd morning jogger, so we drove in silence, the tension rising in the car, making Kitty fidget nervously beside me, her

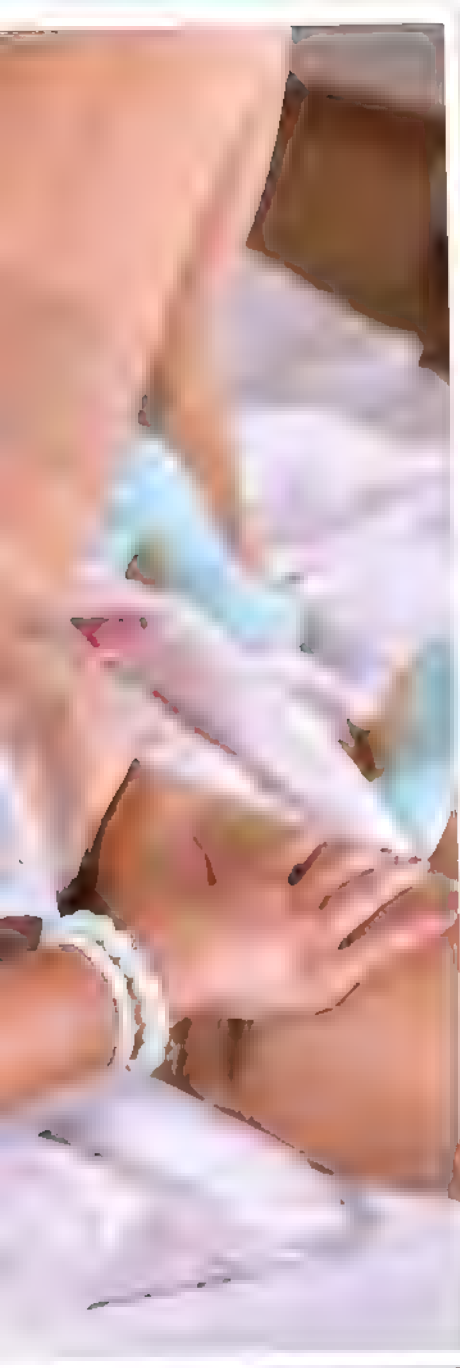

big wide eyes waiting expectantly for my next move. Her pert tits were visibly hardening through the stiff white fabric of her uniform. She looked so pretty and innocent, I couldn't wait to get my hands on her pale flesh. The seat was getting damp beneath me as my thighs rubbed glossily together, eager with anticipation.

We pulled up beside the deserted park. "Get out," I commanded, "I've got a little surprise for you," and Kitty nervously stepped outside the car. I opened the side door and, pulling my brand new camera from my bag, smiled mischievously at her. Kitty squealed with delight, and before I even had the chance to tell her what I wanted her to do, she started to remove her uniform.

"Stop it!" I commanded, and she froze, looking up at me nervously like an injured animal. I revelled in the feeling of complete control I had over her, watching her squirm and wriggle beneath my gaze. I was tempted to reach out and touch her pert round breasts, and squeeze her throbbing nipple

between my thumb and forefinger, but it was too early for that. "Leave your clothes on and pose for my camera." Kitty apprehensively started to move, posing like a fashion model, slowly twirling around for my lens, her tight little bottom shimmying beneath her starch white uniform. Gradually she started to get into it, and as she moved around, leaning against the car like a model, I sunk my left hand into my knickers, feeling my clitt pulsing, fat and moist beneath my eager fingers. I kept clicking, as Kitty jumped around, pulling provocative poses for me, smiling at me in her sexy, taut uniform.

"Bend over," I commanded, and as I kept on snapping with one hand, I walked over to Kitty and slid my fingers beneath her panties, pushing them gently up into her sopping wet cunt and pumping them in and out, as the walls of her sex tightened in around them. Kneeling down on the cool ground, Kitty started to moan and thrust herself back and forth on my hand, as I continued to take pictures with the other, capturing her sliding

up and down sloppily onto me. Pressing my thumb on to her clit she started to pump harder, her wet juices soaking my hand as she quickly started to peak. All the time I kept the camera lens trained on her, capturing the delicate pink folds of her hairless snatch as it engulfed my hand, hungrily pumping up and down on it as she started to come. She moaned out loud, soaking my hand as she came hard. I slid my fingers out and brought them to my lips, sucking and licking up her tasty residue. I could feel my own clit throbbing in my sopping wet panties, hungry to be satiated by my slutty little nurse.

"Get up," I ordered as I walked back over to the car and placed the camera containing all the photos of naughty Kitty back into my bag. With the door still open, I sat back on the driver's seat with my legs outside. Sensing my next move, Kitty crawled over on her knees and slid her delicate little fingers up beneath my skirt, hitching it up around my waist as she pulled my lacy knickers down to my ankles.

I clutched her mousey brown hair between my fingers and pulled her head down towards me, eager to feel her soft lips on mine. She curled her tongue roughly into my mouth, pushing my lips apart eagerly, hungry to taste me. I kissed her, long and hard, and yanking her head back, pushed her face down towards my gaping hole, which was dripping with moisture and desperate to be filled. Kitty gasped, before descending hungrily down on to my sopping wet cunt, taking my sex full into her mouth, sucking up all the sticky juices, drinking me in. Holding my firm thighs apart with her small fingers pressed firmly into my legs, she started to lick my fat throbbing clit, big fat licks up and down my cunt, lapping up all my dripping wetness, moaning her pleasure through sloppy kisses. I held Kitty's head and thrust back and forth, pushing myself onto her open mouth, forcing her to stick her tongue up inside of me, as I started to spasm and convulse with pleasure. As I thrust harder, enjoying the rhythmic motion of my clit on her mouth, she pressed two fingers into my cunt, pushing deep inside of me, leaving me panting and convulsing, desperate for release.

Then Kitty pressed a finger gently into my arsehole and began to massage my anus, holding me skewered onto her fingers, thrusting back onto her mouth, waiting and wild with desire as my natural juices soaked her lips.

I dug my fingers into her hair, pulling myself further into her, closer to the brink of ecstasy as the fresh air from the park swept over us, revealing our filthy, sweating, entwined bodies to the world.

Kitty took out her fingers and spat onto her palm, spreading her saliva all over her hand, and then thrust her entire fist deep into my cunt, pushing me further than I thought possible.

Filled entirely by her pumping fist, with her other fingers still massaging my throbbing anus, I let out a great roar of pleasure, my orgasm drenching her arm as I came hard in spasms, blinded by the light of my own bliss. I pulled Kitty's face away from my cunt and thrust my tongue into her mouth, knowing that this would be the first of many outdoor camera escapades that she and I would enjoy together.

Tara May's been teasing us again (she smashed it out of the park when she appeared in *Men Only* a while back), with her mischievous sense of humour. As you can imagine it gets her into all sorts of trouble, but recently this British babe has been causing trouble of a different kind, and we get to witness it in this month's issue of *Club*. "I always get really excited when I'm getting my fans aroused; I know the guys and gals drooling all over me can practically smell my pussy through the pages, I always get so wet when I'm posing and wiggling my arse and fanny at the camera, the pussy juices literally run down my inner thighs!" Having just caught a waft, we can confirm it's a heavenly feminine musk indeed!

B ugger us if Natalia isn't looking even lovelier than ever? How does she manage it?! "Well, it's my job really, isn't it?" she laughs. "Nobody wants to take pictures of some old trout, do they, so it's up to me to make sure I look as sexy as I can for all my fans!" We guess so, although we can't help thinking nature's dealt you a bit of a winning hand in that respect, irrespective of how much effort you put in to your appearance! "I guess you're right, but even so – you really don't want to see me when I first wake up in the morning!" Christ on a bike! We'd give our hind teeth for the chance to be there when you first wake up in the morning, Natalia! Erm, so how about you staying over tonight, so we can give it a go...?

When Camilla Jayne enters a room every head in the place turns and mouths tend to drop wide open, especially when she's wearing nothing but sexy see-through underwear! As far as debuts go Camilla left more than an impression with us, and long may it last. "That was such a laugh, I'm so happy to finally be in your magazine. I'm one of those girls that gets easily turned on, but there's something about posing in front of a bunch of guys, all of whom are trying to hide their erections, that gets me so damn horny. Honestly if it was allowed to I would have had all of them strip off and fuck me on the bed, right there and then. But apparently there are rules about that kind of thing in the work environment and it would have been a Human Resources field day!

in the kitchen and got two more beers and walked out into the garden. I walked up behind her, my cock stiffening under the towel as I got closer. Her eyes were closed. "Another beer?" I said, making her jump. "Oh shit, sorry I thought you would be onger!" she stammered.

"Stop apologizing!" I replied quickly hoping to put her at ease, making no attempt to cover the rock hard erection I had under the towel. She had a great pair of tits, at least a C if not a D cup, with great big brown areolae and nipples that stuck out invitingly.

Deciding to take things nice and slowly, I handed her a beer and sat on another chair beside her. I knew she'd have spotted the bug in my towel, and sure enough, it wasn't long before I caught her sneakily glancing across at it. Eventually the sexual tension became unbearable, and I reached out a hand, gently resting it on her thigh. She gave a little jump but then relaxed as I slowly slid my hand up her body until I reached her fuisome left tit, which I began to gently squeeze and caress.

Chloe let out a quiet moan and I felt my cock stiffen further. I could stand it no longer... Standing up, I walked towards her, lifted her to her feet and we kissed, pushing our bodies together, the stiffness of my erection pressed against her while my hands reached under her short skirt and caressed her naked arse. I kissed her neck, making her moan and I was eager to get my mouth on those lovely tits. I kissed her nipple and could feel her shake as I sucked her nipple into my mouth, making sure my teeth gently nibbled her, whilst my hand groped her full bum cheeks.

Her tits were wonderful, and I soon discovered she liked having her tits gently bitten as I bit and sucked on her tit just above her nipple.

"Harder!" she moaned, and I did, and after a good while of sucking and biting, there were several marks on her tits.

I broke contact and Chloe looked at herself, "Oh God look at the marks, that's so horny, I thought I was going to come just by your biting me."

I took that as a hint and reached down with my finger and found her clit, which was hard and very prominent. I sucked a tit back into my mouth and slowly wanked her clit. Her orgasm didn't take long and she was soon moaning and shaking as she came. We kissed again as she recovered, and for the first time she touched my dick.

"You're so stiff!" she said as she wrapped her hand around my cock.

I could have easily fucked her then but I was also very aware that I don't get many chances to enjoy a 19 year old honey in my garden.

"And I hope you enjoy it," I replied, "but first I have to taste you."

I led her to one of the chairs, where she sat and opened her legs wide. I smiled as I knelt before her. She had a lovely pussy and I could see her juices glistening on her lips. I took one long lick along her lips, making her shudder again before enjoying her pussy lapping and probing between her lips. I took my time, loving her taste, my face soaked with her wetness. She was writhing in the chair now and I began to focus on her clit. I licked her slowly and I could, hearing her gasping as I did so. As I licked her clit I pushed a finger between her lips, and I could feel her pushing herself against forward my mouth.

She lifted her legs and wrapped them over my shoulders, giving me even better access

to be hard to hold out anyway and I didn't need any further encouragement as I held her by her bum cheeks, lifting off the ground with each hard pump. It was lucky there are no immediate neighbours, because Chloe was as loud as anyone I had ever fucked before, her language in between yelping and screaming becoming increasingly colourful as she told me to "Fuck her hard" and "spunk in her hungry little cunt."

Well, despite everything I hung on for as long as I could, marvelling at the sight of her wonderful boobs as they bounced before my eyes, but eventually the sensation of her slippery little cunt round my cock proved too much for me, and within two or three minutes I grabbed her hips, bucked my hips even harder and shot what felt like a pint of my hot seed inside her.

She stayed sitting on me as we recovered our breaths and kissed.

Then, finally, she lifted herself off me whilst pushing me back on the grass. I lay back and watched in wonder as she licked the shaft of my dick.

"I love tasting myself!" she said, which was enough to get me fully hard again. "Wow!" she added, "you really do have the stiffest erection..." before taking my bell end fully into her mouth.

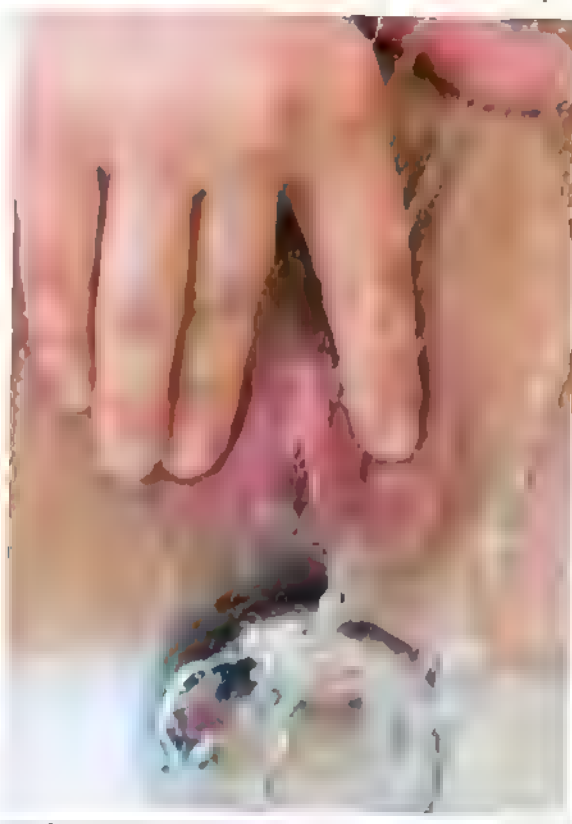

The thought of her tasting our combined juices on my dick was really getting me going, and although you could tell she may not be the most experienced girl, her enthusiasm to please had me soon ready to spunk again. I told Chloe I was going to come and was very pleased to see she never broke contact, taking my spunk in her mouth. She then giggled again before laying down with me her head on my chest.

We lay a few minutes before I reached for our beers. We both stayed naked and sat chatting and drinking as the sun faded. After a while, she said she was beginning to feel chilly and she asked, "Is your shower big enough for two?"

"It is," I said, leading her into the house and up to the bathroom.

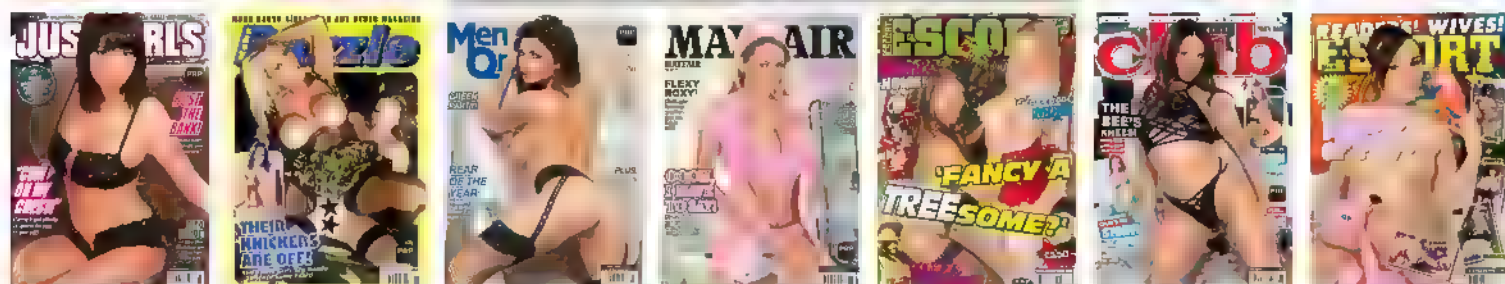

We showered together and I again had the chance to enjoy sucking her tits before we put some robes on and sat and chatted together in the bedroom before I set about spending the next hour kissing, nibbling, licking, biting and enjoying her wonderful body. She came twice more before falling asleep.

When she awoke I had made us some dinner and we shared some wine before falling back into bed for the night. I left her alone then – well at least until the morning when she woke to feel my erection again pushed against her and we started all over again. Unfortunately, she was a bit busy during the rest of the campaigning season, but now it's all over and done with we've hooked up several times – and we still haven't got round to discussing who I voted for in the election!

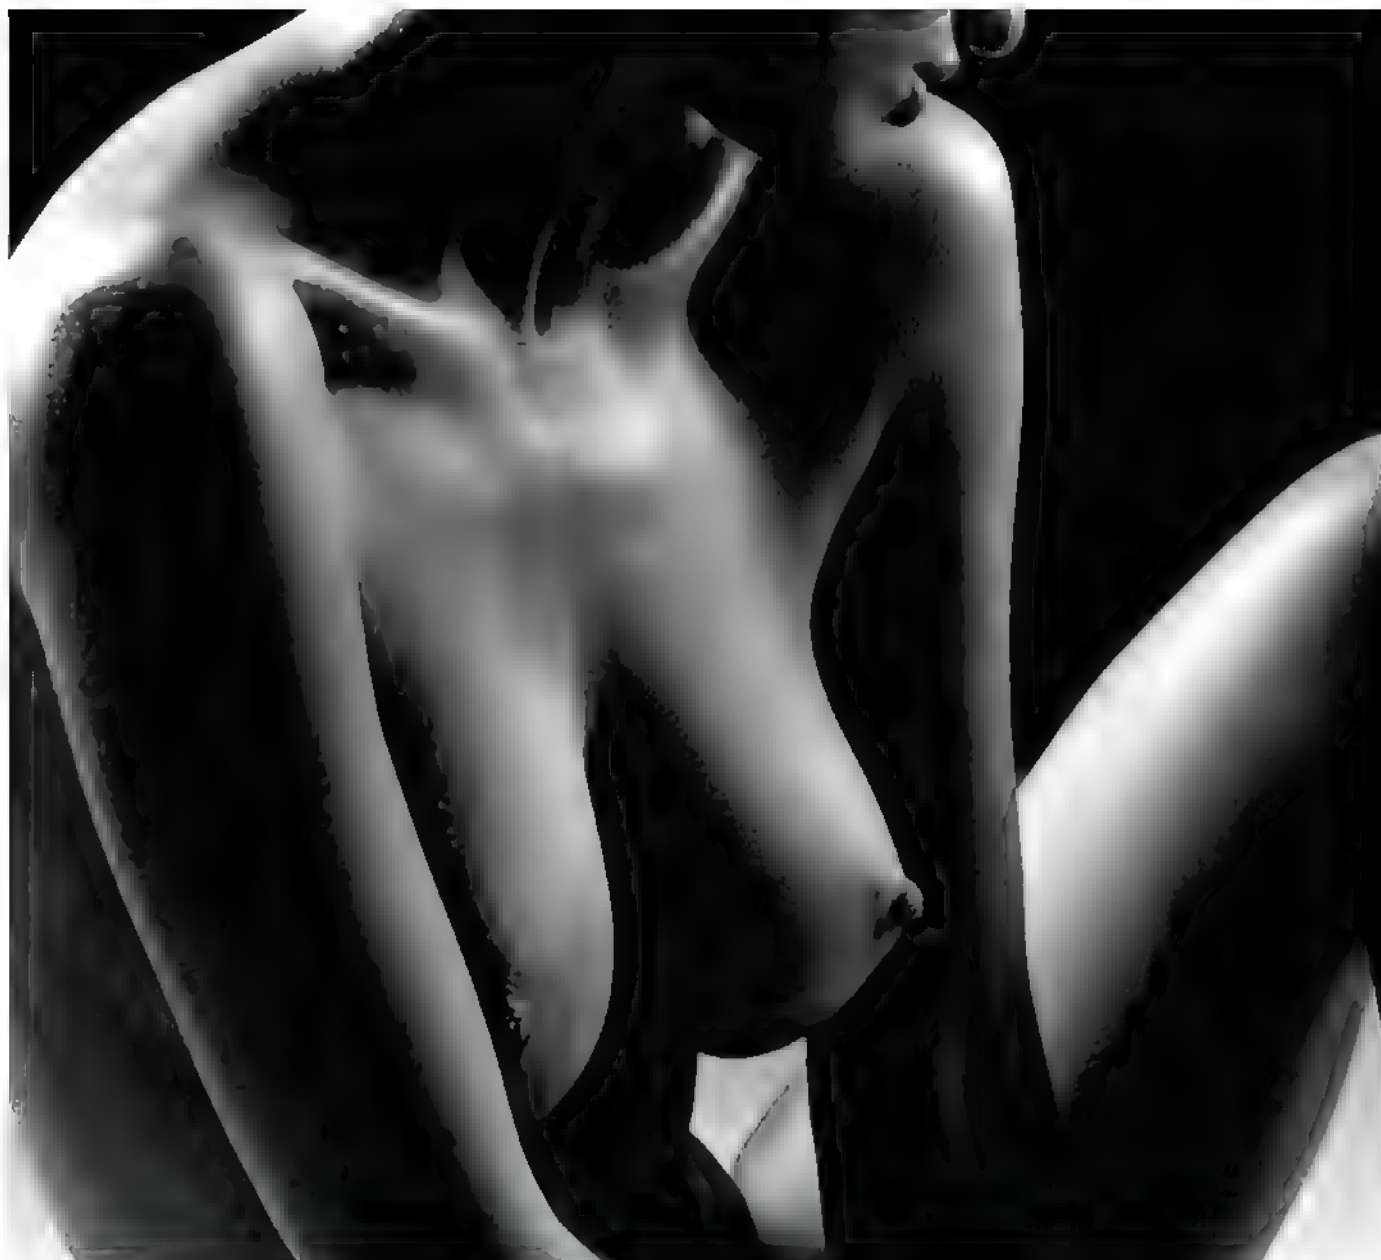

to her soaking cunt and she pulled me in. I licked and fingered her more powerfully now and I could hear and feel her enjoying the licking until she shook violently again, pushing me away. I looked up at her. "That was amazing! I orgasmed so hard I had to stop you." I hadn't realized, and was a bit worried she may be a bit too sensitive now to fuck. However, my concerns were quickly dispelled. She slipped off the chair and as I sat back on the grass, she positioned herself over my cock and began to guide me in. She wrapped her arms around me and was gasping as I pushed my dick into her very wet but still very tight cunt. I started to fuck her slowly, but Chloe pulled back and looked at me;

"Fuck my arse off!" she ordered. It was going

Prompted by a letter we were sent a while ago, we asked Emma Green if she'd ever paid visit to the village that's so nearly her namesake, Emma Greene, which is just north of Reading. When we caught up with her it seems she's never taken the time out to pop in and meet the locals, which seems a bit rude to us. Maybe we'll introduce her to them by randomly mail dropping copies of this month's Mayfair across the village! "Don't you dare! As much as I love my fans, not everyone would be over the moon opening up their post to see an image of me with my tits out and legs spread, not that I'm calling the residents of Emma Greene prudes, I'm sure there will be a few of them that would love to see my photos though." Yeh, and we could probably do without any potential legal ramifications!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

My girlfriend Sam is a sexy little blonde who knows just how to get her bloke in a lather. She's not a nympho or anything like that, but she loves sex and knows just how to trip my trigger. Sam is petite with a good pair of tits and a lovely round, firm arse.

She has long shapely legs, but what really drives me wild about her is her beautiful feet.

I freely confess to being a 'foot man', and love to play with the soft skin and suck the toes of a pretty little female foot.

Of course, Sam knows this and rarely misses an opportunity to tease me by putting on a little performance to get me aroused. Foot sex has now become my very favourite thing, and as Sam really gets off on it too, it's become a regular part of our love life.

And although it'd always guaranteed to get me off, the first time we tried it will always be one of my sexiest memories.

I arrived home from a late meeting one evening to find Sam completely stripped off and sitting on some bath towels on the bed. Her body was still slightly moist from the bath, and she looked delightful as she patted the last of the damp spots with a towel.

Seeing me staring at her, she smiled naughtily at me and began pouring some moisturiser into her palm and massaging the soft scented cream into her toes and feet, and then up her long slender legs. Then, spreading her thighs, she worked some of the cream into her mound and between her legs.

Watching her, I became almost crazed with lust, and I quickly stripped. Taking her in my arms, I kissed her hungrily.

Her arms snaked around my shoulders as she lifted one knee high and pressed it against my hard-on. My cock got even stiffer as, leaning right back, one hand gripping the reverse of my neck, she brought her knee up higher until her long toes were toying with my shaft.

It felt amazing and adrenaline surged through my body as I felt her toes curl around my erection. With my heart beating rapidly, I laid her gently back and, fighting to keep control of myself, I began running my hands along the soft curves of her body.

I leaned over her, placing soft kisses on her nipples and clit as I moved downwards until I reached her feet. Then, repositioning myself at the end of the bed, my hands took one delicate, soft-skinned foot, and I raised it to

my lips. Kissing the sole of her foot gently, I watched in delight while she squirmed on her back.

She smiled up at me, her eyes drinking it all in as my tongue explored between her dainty toes. Sucking each toe tip gently, I nibbled the soft fleshy pads, being careful to keep my touch gentle and sensual so as not to tickle her. Sam is a natural-born cock-teaser and, seeing how turned on I'd become, got her wet and truly juiced while I worshipped her feet.

She moaned softly as she watched me licking and caressing her foot. I then turned my attention to the other foot and repeated the process, switching between nibbling and licking to increase her pleasure. From my viewpoint at the bottom of the bed, I looked appreciatively up her legs to her beautifully shaved pussy. The delicate lips of her excited little slit started to contract and her swollen pussy lips glistened with her juices as she studied my changing expressions while I sucked on her toes.

My erection was growing and standing proud now, so I took my engorged cock in my fist and slowly began to stroke it. I hadn't

been so turned on in a long time and my cock seemed larger than usual. As I ran my inflated prick along the soles of her feet, Sam began to finger her pussy.

Giggling, she placed both of her feet against my groin. I was so close to cumming, but I wanted the full satisfaction so I removed her

feet and climbed onto the bed. Sitting facing her, I returned her feet to my groin and asked her to wank me off with them.

Gripping my cock with her toes, she started to rub my shaft slowly and methodically with her sexy feet. The sensations, coupled with the spectacle, was so intense I moaned and gasped loudly as my erection throbbed so hard it threatened to break free from her grip.

Sam maintained control of my dick by clamping her feet firmly against both sides of it, sandwiching the soft skin of my cock between the slightly rough soles of her pretty feet, while continuing to pump up and down my shaft. As she foot-fucked me, she spread her pussy lips and rubbed hard at her clit, dipping two fingers inside her tight little cunt.

My balls ached and I knew I was only seconds from shooting a massive load.

Reaching down and taking both of her feet in one hand I tugged myself off over them with abandon, spraying my spunk over the bridges of her feet, the cum sliding downwards and oozing between her dainty toes.

collapsed back, panting and gasping, in total awe of the sight of Sam, her feet white and sticky, and covered in my spunk, two fingers deep in her pussy and her thumb rubbing frantically on her clit. She began frigging

herself harder, moaning louder, as her pussy lips started twitching and she suddenly screamed out with her own orgasm. She too collapsed onto her back for a second, but then she was straight back up again, as she took her feet in her hands and gently started rubbing the creamy spunk into her skin, gathering some up in her hands, and gleefully spooning it into her mouth. It was easily the best foot fuck I'm ever likely to have.

Like a lot of guys, the thought of being able to watch my girlfriend getting well and truly fucked by another man really turns me on. Janet is a very liberal minded girl and loved describing the filthy things she'd do with another prick to turn me on while I was humping her. She got really excited at the idea of me watching secretly as she sucked on a stranger's cock or let him stick his meat in her tight little arsehole.

We'd often talked about how to turn my fantasy into reality, but it was only when we were on holiday in Mexico that the perfect opportunity actually presented itself.

Janet has a great body with nice, full tits, long legs and a fabulous curvy arse that guys seem to drool over, so she immediately attracted the attention of the randy waiters in our hotel, even though she was clearly with

me. I'm used to the reaction she causes in other blokes, however, and my imagination ran riot as I watched men's eyes follow her across the room, lusting after her and wishing her lips were wrapped around their cocks instead of mine.

One of the bar staff took a particular shine to Janet, and I'd purposely send her to the bar for the drinks so I could watch him flirt outrageously with my girlfriend, even stroking her arm gently as he ogled her cleavage and made suggestive remarks.

We decided he would be the lucky bastard to get his cock inside Janet's pussy and set it up for the very next night.

I'd been waiting in our room for about an hour when I heard the key turn in the lock and rushed out onto the balcony to hide, my dick already rigid with the anticipation of what I was about to see.

Janet came into the room with the guy, still dressed in his waiter's uniform and, as I peered through a gap in the curtains, she pulled him to her and stuffed her tongue into his mouth, his hands slipping around her waist and gripping her buttocks as he pressed his crotch against her. My cock pulsed with a mixture of jealousy and lust as they continued to snog passionately in front of me.

Turning him round so that his back was towards the window, Janet unbuttoned her blouse and slipped it over her shoulders, her lovely fat boobs swaying slightly as she knelt and unzipped the guy's trousers. Janet looked at me as she eased his dick from his pants and rubbed the tip of the semi-stiff prick against her nipples. I moved to one side for a better view and slowly began to wank as I watched my baby lift his circumcised knob to her lips. Jeez, I nearly came there and then as she swirled her tongue around the bulbous end, before taking it completely into her mouth and sucking it hard. I could see her cheeks going in and out as she slurped on it, her eyes never leaving the gap in the curtains where she knew I'd be watching this filthy display.

The guy's hands reached down to my girlfriend's tits and he squeezed them roughly as she began to pump her mouth up and down his shaft, cupping his heavy balls in her hand at the same time.

Fuck, this was hornier than I'd ever imagined, and I knew that whatever happened next, I'd be screwing her brains out before the night was through.

The Mexican obviously had the same idea and pulled Janet onto the bed, pushing his hand between her bare thighs as she straddled his crotch. I could actually see first one finger and then another push inside my girlfriend's cunt, right up to the hilt. She arched her back and rolled her eyes as he finger-fucked her gash, his mouth locking onto one dangling breast in turn while his rock hard dick slapped against her thigh.

Janet suddenly clambered up the guy's body until her pussy was over his mouth. She

looked up at me and just dropped down onto the poor bloke's face, grinding that sodden pink slit of hers hard against his lips. By the look of joy on her face his

tongue was inside her and she rode him, mauling her tits as she stared at me, acting the slut for my cock while another man licked her out.

Janet let out a yell of pleasure as she came and I could even hear the disgusting squelching sounds of his tongue lapping up the cunt juice that I knew would be pouring out of her hole and down his throat.

Janet climbed off him and positioned herself on the bed so that she could look at me while her new lover stuck his throbbing meat into her gaping twat. I masturbated feverishly as he held her thighs wide apart and slammed his cock straight inside her. She smiled at me as he pulled out and then banged it back in up to his balls. She lifted her legs up and wrapped her ankles around his neck as he screwed her. I could see his glistening shaft stretching her fanny lips with each thrust as he shagged her in a frenzy, grunting as he hammered his meat into my girlfriend's eager hole. I thought the bed would collapse as they humped in front of me, Janet licking her lips for my benefit as he held onto her boobs while he skewered her faster and faster.

Suddenly, he dragged his dick from her cunt and pointed it at her tits. A jet of thick white seed sprayed out of the tip and splattered all over Janet's stomach. The next sploshed over her breasts and the third reached her open mouth, which she hungrily licked up.

She sucked his shaft clean and then kicked him out of the room before he even had time to do up his flies.

Unable to wait another second, I burst in from the balcony and dived onto the bed, thrusting my aching prick into her just fucked cunt as she smeared the guy's spunk over her tits, before licking the mess off her fingers as I squirted a huge load of spunk deep inside her.

We fucked and sucked each other all night and, although we haven't repeated our dirty little game since, we still use the sordid details

to spice up our more regular lovemaking.

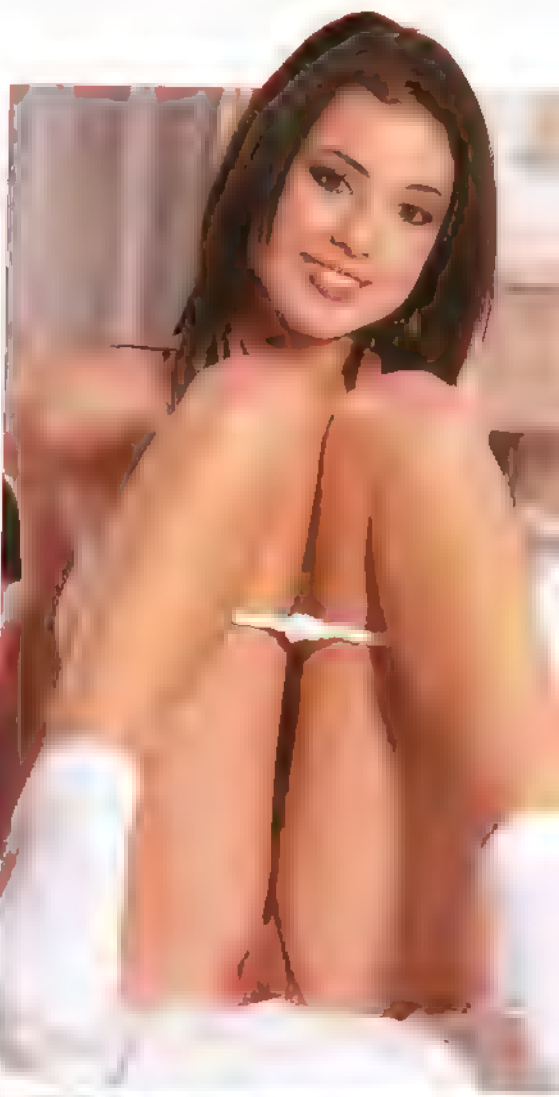

That was one very short holiday romance that has lasted a very long time!

The new woman in my life is beautiful, mysterious and extremely sexually demanding. Not that I'm complaining, as she's definitely a couple of steps up from the birds I've been used to! I'm not sure that I could exactly call her my girlfriend, though, as we don't do anything together but fuck.

I met her at a nightclub one Saturday night. She was dancing with a fit-looking bloke and their sexy moves caught my attention. At first, I thought they might be a couple, but when the music stopped she walked over to me and beckoned me after her on to the dance floor.

I must admit I found this really sexy, and I was well into the way she looked, so I quickly followed her. We were dancing slowly, our bodies pressed together, when she reached between us, and, squeezing my dick through my trouser-front, whispered in my ear that she would like to fuck me that night! Christ, if pulling was always this easy!

Pressing her crotch against my erection as we danced, she moved her hands behind me and squeezed my arse cheeks, her long nails digging in to my bum as she thrust and gyrated her hot pussy against me.

She was so sexy and so confident, and I have to admit I was getting really turned on. If it weren't for all the people in the club, I would happily have whipped my cock out right there and slipped her a length.

Suddenly, she was done dancing and dragged me off the dance floor, so we went to the bar, where she asked me to get her a vodka and lime. We had a drink, chatted for a bit – well, she talked and I just listened. To say she was a bit bossy would be an understatement, but if I'm honest, I was totally cunt drunk, and just hoping this was going to go a bit further.

Not long after that we left, she told me we were going back to her place – she didn't invite me, she TOLD me. Fucking hell, she was so confident, so sure of herself. Now, I'm not really into domination, and I've never been shy about approaching women and making the first move. But all of a sudden I was being told what to do, this woman practically demanding I go home and fuck her. And I was more than a little turned on by it.

Her flat was an unfussy modern structure with lots of large glass windows in an upmarket residential area. Once indoors, Shelley poured some drinks and we sat in the living room. Sitting opposite me, she

inserted a fresh cigarette between her lips.

My cock stiffened, growing harder as she suggestively ran her long red fingernails from the filter to the tip of her cigarette.

Taking a heavy silver lighter from the table, she lit up and inhaled slowly, her luscious crimson lips sucking on the tip of the elegant holder.

Drawing deeply, she leaned towards me and blew smoke in my face. Then, standing up, she told me to unzip my flies and show her what I had "to offer". Blushing, but incredibly excited, I did as she asked. She looked down at my erect prick, reached forwards and drew her long nails up the shaft, scratching the skin lightly. I gulped at the sensation as my cock throbbed under her touch.

"Not half bad," she said in a cool voice. "Now let's see if the rest of you is up to scratch." Imitating her cool manner, I stripped and waited for her to do the same. She obviously

liked what she saw, because she dropped her cigarette into an ashtray and shimmied out of her tight skirt.

Shelley was wearing sheer black nylons, held in place by thin silk straps of a lace suspender belt. Sliding her panties down over her legs, she pulled them free from her spike-heeled ankle boots.

She untucked the front of her tight leather bodice and, cupping her large breasts, she held them out for my inspection. It was all I could do not to drool, but as I reached out for them she laughed, turned away and led the way to the

bedroom.

She then simply climbed up onto her bed, lay sideways on to me, smiled up at me and simply said, "Come on then, big boy!"

You couldn't have kept me off her with a shotgun and, pushing roughly between her parted thighs, I was on top of her. Without any foreplay or thought, I rammed my aching cock inside her cunt and started slamming into her hard.

Her nails raked my back and she held on to me with her teeth, biting my chest as I shagged her as hard as I could.

"Come on," she growled. "I said I wanted to be fucked, not just prodded." The jibe only made me more horny, and I went at her like a savage, thrusting into her as hard and fast as I could, my hands gripping her breasts roughly as she thrust her hips upwards to meet my strokes and started growing and moaning with pleasure.

I fucked her and fucked her, actually quite surprising myself at how hard I was going, and how long I was lasting, pumping her until my back was aching. Her hands suddenly found my bum cheeks, her nails digging into my arse as she tried to pull me even harder. And then she screamed out loud, her legs gripping my waist tightly as she came, her pussy muscles clamping hard around my dick, as she again bit down gently on my shoulder.

That was enough to push me over edge, and after two more hard thrusts I came, jet after jet of hot, thick cum flooding her pussy, as I continued fucking her, pumping until every last drop of spunk was inside her. We lay there breathing for a few seconds before she slid out from under me, got up to go to the bathroom, simply saying, "You can go now. Leave your telephone number in case I need you again."

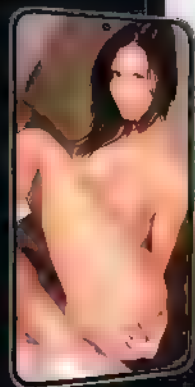

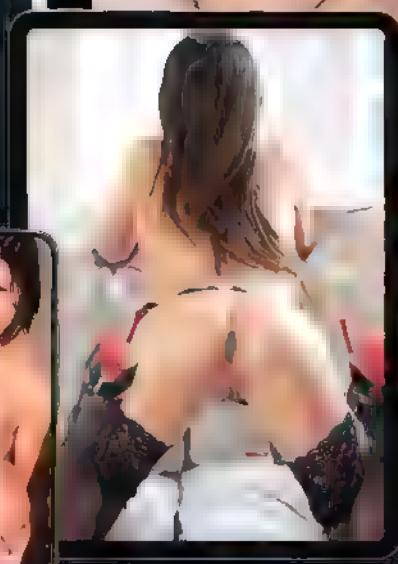

So, every once in a while, Shelley will call and summon me, and I'll pop round for the hottest sex I've ever had. Like I say, I can't really call her a girlfriend, but with sex like that, who's complaining?

So, what did we learn about Kourtney the last time she appeared in the magazine in her full explicit glory? She loves getting naked, that's rather obvious, and she loves to be fucked doggy style with a dick up her arse when she's in the mood to be extra filthy! What else is there to know? "You'll probably laugh at this, but I love to spend my downtime relaxing with a bottle of wine while I'm watching mundane daytime TV with my knitting needles out. It's very therapeutic and a million miles away from my day/night job. I do like a nice bubble bath with candles and some music playing in the background too." At least humour us and tell us you do the knitting in the nude with a vibrator between your legs!

TOTAL RECALL

PARADISE FOUND! - NELLA FROM CLUB VOLUME 35 NUMBER 08

Wow! Now that's what we call a beautiful view, and if you look behind the adorable Nella, the vista's pretty eye-catching, too. Seriously though, there can't be many things better than getting stuck on an island with this plucky porn princess. It's just a shame there was a cameraman, lighting technician and make-up artist in tow. Especially after Nella told us the one item she'd really like to be stranded on a desert island with. "I couldn't survive without a man! I know this will probably enrage a lot of feminists (We don't tend to worry too much about that, love Ed.) but I'm serious. The thought of going the rest of my life without sex scares the shit out of me. Any girl who says they can make do with a dildo is a liar. It's all very well prodding yourself with one until you come, but what about foreplay, oral and the sticky mess? Believe me, if I'm getting stranded on a desert island I'm taking a man with me—and preferably a well-endowed one!"

Svelte stunner Briony set quite a few hearts fluttering when she made her magazine debut, but she's been such a busy girl we've only just managed to get her back for another shoot – but we're sure you'll agree it's been worth the wait! "Well, that's nice of you to say so. Yes, I have been pretty busy, you're right. Just after Christmas I went on my first ever skiing holiday, and then a modelling assignment saw me jetting off to sunnier climes, so all in all I haven't done too badly for myself!" We're very glad to hear it! So how did you find your skiing experience? Did you take to the slopes like a natural? "Not at all! The whole thing was really scary, and it was as much as I could do just to stand up. In fact I'm sure I spent more time flat on my back than I did actually skiing!" Hmm, really? We wish we'd been there!

DOWN THE WIRE

SIT TIGHT!

In the days of horse drawn carriages passengers were urged to remain completely still when the ride got rough or the horses became uneasy. The tension of holding steady knowing that any sudden movement could worsen the situation kept everyone on edge. This need for staying put and waiting out the turbulence led to the expression 'Sit Tight'.

CRYING OVER SPILT MILK!

In early agricultural societies once milk was spilled it couldn't be recovered leading to the phrase 'Crying Over Spilled Milk' meaning there's no point in complaining about something that can't be undone.

HIT THE NAIL ON THE HEAD!

In Medieval carpentry precise workmanship was essential for creating sturdy structures and functional items. A carpenter's skill was often judged by their ability to drive a nail squarely into place with a single strike. Achieving this level of accuracy meant the work was done correctly and

efficiently. This practice gave rise to the phrase 'Hit The Nail On The Head'.

OPEN A CAN OF WORMS!

Fishermen in the early 20th century often carried their bait in cans filled with live

worms. Opening these cans required care as the wriggling worms would spill out and create a chaotic mess that was difficult to control. This image of an uncontrollable situation once started became a metaphor for tackling a problem that only leads to more complications giving rise to the phrase we use today 'Open A Can Of Worms'.

HOLD YOUR HORSES!

In the days of horse drawn carriages and cavalry drivers and riders needed to control their horses to prevent them from starting too quickly or running off unexpectedly. It was crucial to maintain control and ensure safety often requiring patience and restraint. This need for caution led to an expression urging

people to slow down and not rush into action, thus the phrase 'Hold Your Horses'.

COME HELL OR HIGH WATER!

In the early American Frontier settlers faced numerous challenges including harsh weather conditions and natural disasters. They often had to endure severe storms and floods. Determined

to reach their destination or complete their tasks and despite the obstacles this unwavering resolve in the face of adversity led to the expression 'Come Hell Or High Water'.

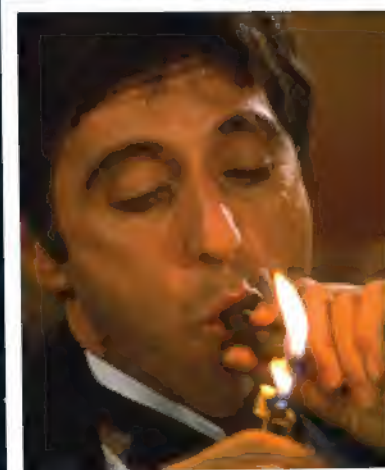

SLEEP TIGHT!

In the 18th and 19th centuries mattresses were held on bed frames using a woven rope design, which regularly needed

tightening, hence the saying 'Sleep Tight.'

SITTING SHOTGUN!

In the Wild West Era, carriage men would often have a passenger whose job was to carry a shotgun to protect them along their way, hence the reason we call 'Shotgun' when we want to sit in the passenger seat of a vehicle.

CLOSE BUT NO CIGAR!

In the 1920s if you attended a carnival and played a game to win a prize as an adult you would try to aim for the top prize which was a cigar, but if you did not get to this prize you quite literally got 'Close But No Cigar.'

CLEAN AS A WHISTLE!

In the 18th century, sharp precision was crucial for tasks like whittling wood, or making a perfect cut. A whistle carved from wood needed to be smooth and free from any obstruction to produce a clear sound. This idea of something being perfectly executed led people to say it was 'Clean As A Whistle,' and clear a path became essential for trade and communication.
